Email infrastructure
Domains, hostnames, IP addresses

* login.acuris.com is used to send user management emails (e.g. welcome emails, password resets) for Activistmonitor, Credit Rubric, Dealreporter, Debtwire, Creditflux, Mergermarket, PaRR and Wealthmonitor.

Hostnames and IP addresses

We recommend IT teams review the changes below and update their email infrastructure as required, to prevent our emails being delayed or rejected.

Depending on your ESP and IT settings you may need to whitelist our domains and/or IP addresses. Please note, we follow industry best-practices, such as implementing SPF and DKIM records, and we actively manage our email reputation.

| Host Name | IP Address |
|--------------------------------|-----------------|
| ema01.mergermarket.com | 31.221.7.151 |
| ema02.mergermarket.com | 31.221.7.152 |
